Brijeshwari Organics

Merchant Exporter of Customised Jute, Juco, and Eco-Friendly Products

We supply professionally customised jute products for importers, wholesalers, retailers, supermarkets, corporate brands, promotional agencies, hospitality businesses, and private-label customers worldwide.

Our products can be developed according to buyer requirements, including size, colour, design, material, printing, handles, finishing, and branding.

About Us

Brijeshwari Organics is an India-based merchant export company supplying customised jute and eco-friendly products to international buyers.

We work with reliable manufacturing partners to offer buyer-specific product development, competitive sourcing, quality coordination, export packing, and shipment support.

Our objective is to provide sustainable products with consistent quality, professional communication, and dependable delivery.

Our Export Services

- Product sourcing according to buyer specifications.
- Custom product development and sampling.
- Logo printing and private labelling.
- Buyer-specific packaging and branding.
- Quality inspection coordination.
- Export-ready packing and documentation support.
- Bulk order supply for international markets.
- Support for repeat orders and long-term business partnerships.

Why Choose us?

- Environmentally responsible and reusable products.
- Suitable for retail, promotional, and corporate applications.
- Customizable according to brand requirements.
- Available in natural, dyed, and blended materials.
- Suitable for private-label and bulk export orders.
- Multiple printing and handle options.
- Buyer-specific dimensions and specifications.
- Professional export packing available.
- Flexible sourcing for different market segments.

Private Label and OEM Services:

We support private-label and OEM requirements for international buyers.

Buyers can provide their own:

- Logo.
- Brand artwork.
- Product dimensions.
- Colour references.
- Packaging specifications.
- Label details.
- Barcode requirements.
- Carton markings.
- Inspection standards.

Our team can coordinate product development with manufacturing partners and provide samples for buyer approval before bulk production.

Order Process

1. Share your product requirement and artwork.

2. Confirm product size, material, colour and design.
3. Receive quotation and estimated production timeline.
4. Approve sample or digital artwork.
5. Confirm purchase order and commercial terms.
6. Begin production after order confirmation.
7. Conduct quality checking before dispatch.
8. Complete export packing and shipment coordination.

Export Packing

Products can be packed according to buyer and destination-market requirements.

Available packing options may include:

- Individual packing.
- Bulk packing.
- Export-grade master cartons.
- Buyer-specific carton markings.
- Palletisation, where required.
- Container loading support.
- Product labels and barcode labels.
- Moisture-protection measures, subject to product requirements.

Final packing specifications should be confirmed before production.

Quality and Inspection

Quality checks can be coordinated according to the agreed product specification.

Inspection parameters may include:

- Product dimensions.
- Fabric quality.
- Stitching and handle strength.
- Printing quality.
- Colour consistency.
- Finishing and workmanship.
- Quantity verification.
- Packing condition.
- Carton markings.

Third-party inspection may also be arranged according to buyer requirements.

Commercial Information

- Minimum Order Quantity: Depends on product design, material, printing and customisation.
- Samples: Available on request.
- Payment Terms: To be mutually agreed.
- Production Time: Confirmed after final specification and order quantity.
- Shipment Terms: FOB, CIF or other terms as mutually agreed.
- Port of Shipment: Indian port, subject to product and shipment planning.
- Currency: USD or other mutually agreed currency.
- Documents: Commercial invoice, packing list and other agreed export documents.

All prices and timelines are subject to final product specifications, artwork approval, quantity and destination.

Buyer Enquiry Format

To receive an accurate quotation, please share the following information:

- Product name or reference image.
- Required quantity.
- Product dimensions.
- Material preference.
- Colour requirement.
- Printing artwork or logo.
- Handle requirement.
- Lining and closure requirement.
- Packaging requirement.
- Destination country and port.
- Required delivery timeline.
- Target price, if available.
